## The review triggers that would reasonably suggest that the TMD is no longer appropriate include:

- A significant dealing of the product to customers outside the target market occurs;
- A significant number of customer complaints in relation to the product during the preceding 6 months;
- A material change to the product or the terms and conditions of the product occurs which may result in the target market no longer being appropriate;

e.g. the introduction of fees; a change in available terms; a change in interest penalties for early redemption;

- A significant number of early redemption requests;
- Regulatory attention relating to the design or distribution of the product;
- Adverse media coverage relating to the design or distribution of the product.
